## Paint Your Own Pottery Party In A Box

Our popular Party in a Box contains everything you need to hold your own paint your own pottery (PYOP) event at home.

Basic Kit hire costs:

\$50 for up to 10 painters

\$80 for up to 16 painters

\$100 for up to \$20 painters (Please contact us directly for the cost for groups above 20)

The kit includes full instructions, a good range of glazes and painting equipment required. The cost includes the Studio Fee (usually \$8 per painter for glaze & firing).

You can choose your own items from the in-stock studio range.

Items start at \$10 for a 10cm tile.

\$20 for a classic mug, 20cm rim plate or butterfly trinket dish, small rectangular trinket dish, small bowl.

There are many items available at \$30 such as different mug designs, trinket boxes (eg fairy house box, shark box, cupcake box) & money banks (eg train bank, donut bank).

Please note there is a minimum order of 6 items per party box.

We always do what we can to keep our most popular items in stock, but these are subject to availability from our suppliers.

Because it is impossible to keep an up to date online picture record of all available items, we recommend popping into the studio to make your decision.

Once you have returned your items to the studio, your items will be given a clear glaze & fired in the kiln. They are ready 7 days later, although we try to make this quicker if we can (please note that at very busy times, eg school holidays/ Christmas that this can be up to 10 days)

Please email us if you would like to book, or pop in to the studio.

Tory & the Teapot Team

The Small Print

Items and the box need to be collected from the Studio and returned a day or two after. Eg for a Saturday party, pick up on Thursday/Friday and returned Tuesday/Wednesday.

Boxes that are returned late will be charged an extra \$50 per day.

Lost or damaged items will be charged for at replacement cost.
